To whom it may concern,

I have been working with Atlantic Doors & Hardware for about 4 years now and have found them to be one of the most professional suppliers to work with. Their proposals have always been competitive in terms of pricing. Additionally, they have met some of my toughest project schedules in the past and continue to provide excellent customer service.

I would not hesitate to recommend Atlantic Doors & Hardware for any project as I am confident they will meet and exceed expectations.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tom Torres", is written over the word "Sincerely,". The signature is fluid and stylized, with a large loop at the end.
