Dear Scott,

It is with great pleasure that Southern Construction Systems offers this testimonial letter to Atlantic Doors and Hardware. We have worked together on numerous projects over the past four years and have closely observed your outstanding performance from start to finish.

Atlantic Doors and Hardware provided quality products and excellent customer service. They have always met the requirements of our schedules going above and beyond to ensure the project is a complete success.

We have enjoyed our working relationship. Your company's honest and professional manner of doing business has made it a pleasure to work with you. We would not hesitate to recommend Atlantic Doors and Hardware for a project of any size.

Sincerely,

Pete Lombardi
President
