Dear Brian,

I would like to take a moment to thank you and Atlantic Doors and Hardware for the continued hard work and dedication that you provide. This is especially true for the high end clubhouse projects which can present unique problems and complications.

The technical knowledge and design assistance that you bring has been a key component to us being able to provide our clients with the highest quality product. Over the past twenty years, Atlantic Door and Hardware has been a valuable team member of The Weitz Company and has taken the lead in assuring that design, budget, and product delivery are always up to the highest standards.

Thank you again for your continued efforts and we look forward to continuing a successful team relationship.

Sincerely,

Bryan Bernardo
