Re: Atlantic Doors and Hardware, Inc
4601 10th Avenue North
Lake Worth, Florida 33463

To whom it may concern:

We have been purchasing from Atlantic Doors for over 5 years. Their expertise has not only been reliable, but in our business it has been critical in making certain decisions that balance the variety of requirements and demands coming from: design professionals, our marketing department, and the fire and building departments in the local municipality. Their service is consistent and dependable, and we have always found their pricing to be competitive.
